Gain Professional Certification & Empower Yourself to be able to Immediately Use These Most Effective & Practical Self Help & Group Work Techniques!
EFT has proven itself effective for Relieving & Resolving PTSD Traumas & Flashbacks, Stress Anxiety /Fears/& Panic Attacks, Chronic Pain, and Achieving Behavioral & Emotional Self-Regulation Skills. Your Trainer is the only Trainer of Trainers and Directs International Practitioner Licensing in Israel since 2005

EFT Practitioner (Emotional Freedom Techniques)

EFT integrates NLP skills with applied Meridian Acupressure without any contraindications. Learn to train your clients to gain immediate self-regulation skills, and to succeed working individually & independently with or without a practitioner. Facilitate effective individual and group work, while enabling clients to choose to work content free! EFT is an extraordinarily effective and successful self-help technique that has attained the endorsement of top international integrative mental health and physical medicine specialists. EFT has proven clinically effective and excels preventing, relieving, and resolving PTSD Traumas, phobias, stress anxiety/panic attacks, and chronic pain issues. Perhaps EFT's greatest advantage is that the creative and personal EFT protocol empowers both the clients and the Trainers to communicate better with themselves and others. EFT hands you responsibility and practical methodology to empower you to achieve quick and lasting behavioral change in your thoughts, speech, and behavior!

Your Trainer, Rabbi Immanuel Yosef Legomsky MA, is a direct student of EFT Founder Gary Craig, using EFT since 1995, has taught 60+ Practitioner Trainings, and is a colleague to the EFT Masters. He is the only EFT Trainer of Trainers in Israel & Director of EFT Israel, an NLP Trainer, & a NeurOptimal EEG Biofeedback Advanced Trainer. This training emphasizes gaining practical usable EFT abilities, including advanced skills of using humor, provocation, and supplication. Learn to enable your clients to quickly uncover and resolve core issues, and upgrade limiting beliefs, and resolve specific individual challenges.

These Spring 2011 SUBSIDIZED EFT Practitioner Trainings will be offered in 5 full day sessions from 9:30-16:30 on Sundays in Tzfat, and/or on Mondays in Jerusalem: May 1 & 2, 8 & 9, 15 & 16, 29 & 30, June 5 & 6. Time permitting, we have a **group option to also train in 10, three hour sessions. It will be possible to make up missed session in other locations.** You will receive EFT Practitioner Level 1 & 2 Certification from EFT Israel which enables you to gain AAMET International Certification by completing a multiple choice test and three case studies.
